The Driver Assign feature allows drivers to assign/unassign themselves to/from a vehicle and view assign/unassign history from their Android mobile devices.

#### Assigning to a Vehicle

Upon login to the App, the Vehicle Assignment screen displays.

#### How to assign yourself to a vehicle:

**Note.** A list of vehicle IDs will not appear if this is the first time you have logged in to the App or you have not yet assigned any vehicles previously.

- 1. Assign a vehicle using one of the following options:
  - 1- Enter the vehicle ID (associated ID in the Portal) in the text field.
  - **2-** Tap on a vehicle ID from a list of vehicles that you have assigned yourself to previously using the Driver App.

2. If you have entered a vehicle ID in the text field (Option 1), tap **Assign**.

You are now assigned to the vehicle.

The Driver App displays:

- 1- Vehicle ID, DVIR status, and vehicle information
- 2- DVIR details from the last submitted DVIR on the vehicle status

#### **Viewing Assign/Unassign History**

How to view assign/unassign history:

1. Tap the **Driver** icon ( <sup>Driver</sup> ) at the bottom right corner of the screen.

The Driver Info page appears displaying:

- 1- Your name and vehicle ID.
- 2- Driver totals for Miles, Hours (Hours:Minutes), Trips, MPG from the last 7 days while assigned to a vehicle.

#### **Unassigning from a Vehicle**

**Note.** You must submit a Post-Trip DVIR before unassigning from a vehicle if you submitted a Pre-Trip DVIR and deemed the vehicle "Safe to Operate." You will receive the following message if a Post-Trip DVIR is not performed and you attempt to unassign yourself from a vehicle in this situation:

Tap **Cancel** or **Start DVIR** and submit a Post-Trip DVIR.

#### How to unassign yourself from a vehicle:

1. From the Driver Info Screen, tap on the Driver Name/Vehicle ID bar.

Link: https://help.wextelematics.com/docs/about-gps-insight-driver-android-app/using-the-android-driver-app-driver-assign/ Last Updated: February 13th, 2019

A prompt appears with two options: "Unassign Vehicle" or "Logout."

UNASSIGN VEHICLE

LOGOUT

#### 2. Tap Unassign Vehicle.

You are now unassigned from the vehicle.
