

The following process is designed for Navistar dealers.

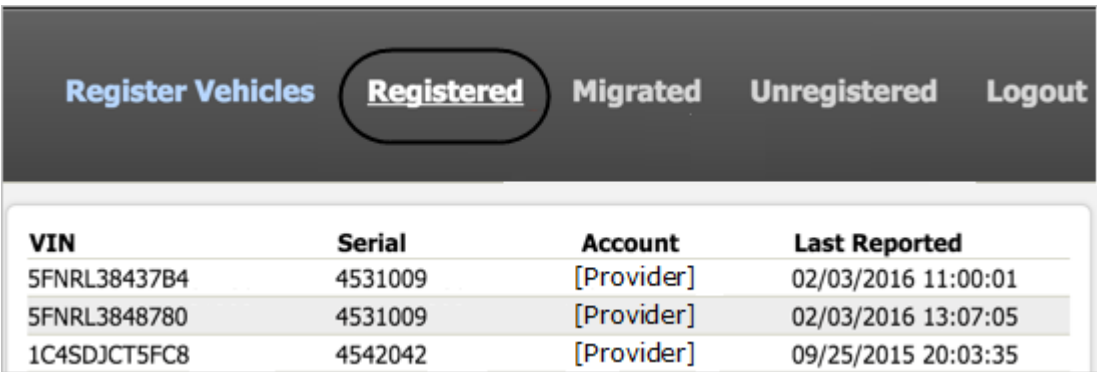

► **To configure OnCommandConnection:**

1. Log into the **Dealer portal**.

The screenshot shows a login form titled "Log into Dealer Portal". It contains two input fields: "Username" with a placeholder "[username]" and "Password" with a placeholder ".....". Below the fields is an orange "Login" button. At the bottom, there is a link that says "Forgot your password?".

1. From the Register Vehicles page, locate the serial number of the device.
- If you find it on this page, it indicates that the device has already been associated with a VIN and you can continue.

The screenshot shows a navigation bar with five tabs: "Register Vehicles", "Registered", "Migrated", "Unregistered", and "Logout". The "Registered" tab is selected and highlighted with a rounded rectangle. Below the navigation bar is a table with four columns: "VIN", "Serial", "Account", and "Last Reported".

VIN	Serial	Account	Last Reported
5FNRL38437B4	4531009	[Provider]	02/03/2016 11:00:01
5FNRL3848780	4531009	[Provider]	02/03/2016 13:07:05
1C4SDJCT5FC8	4542042	[Provider]	09/25/2015 20:03:35

- If you cannot find the serial number of the device on this page, click the **Unregistered** link to register it.
