# Logging in to the Driveri Portal

Link: https://help.wextelematics.com/docs/logging-in-to-the-driveri-portal/ Last Updated: March 29th, 2023

If you are new to the Driveri solution or just need help logging in to the Driveri Portal, please use the instructions below.

**Note.** Credentials to access the Driveri Portal are separate from GPS Fleet Tracking Portal credentials.

## **Accessing the Driveri Portal**

You can access the Driveri Portal from the GPS Fleet Tracking Portal Explore Page, GPS Fleet Tracking Classic Portal, or by navigating to the Driveri Portal Login Page directly at https://driveri.gpsinsight.com/console/#/login.

### Access via GPS Fleet Tracking Portal Explore Page

You can access the Driveri Portal login page from the Explore page of the GPS Fleet Tracking Portal.

### How to access the Driveri Portal via Explore Page:

1. From the GPS Fleet Tracking Portal Explore Page, click the **Driveri** tile under the Popular Links section.

Note. If you have forgotten your passwortext field and follow the prompts to reserve	ord, click <b>Forgot Password?</b> under the password

## Access via Classic Portal (Enterprise Only)

You can access the Driveri Portal login page from the GPS Fleet Tracking Classic Portal.

### How to access the Driveri Portal via Classic Portal:

1. From the GPS Fleet Tracking Classic Portal, click **More** from the top-navigation.

The drop-down menu appears.

2. Under Cameras, click Driveri Cameras.

The Driveri Cameras sub-menu appears.

3. Click Open.

The Driveri Portal Login page opens in a separate browser tab.

4. Enter your username and click Next.
