

Welcome to Fleet Tracking! An account has been created for you and it's time to log in to your Fleet Tracking Portal to check out your new software tool.

Welcome Email

After an account has been created for you, you will receive an email from Support with the subject line "Welcome! Let's get started." This email includes your username and temporary password, along with instructions on how to log in for the first time.

Logging in to the Portal

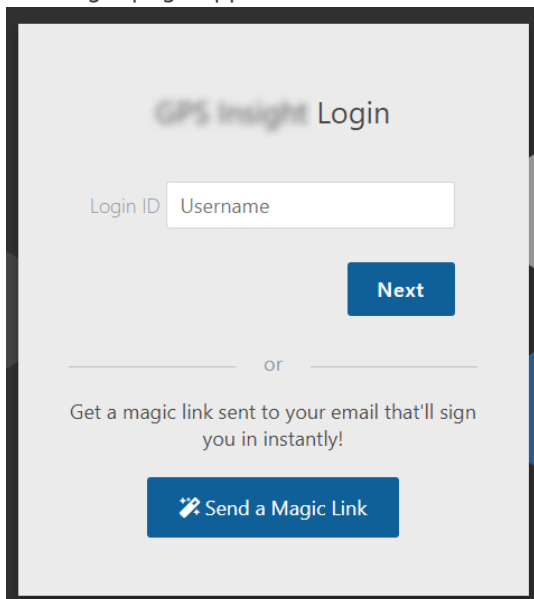

► How to log in:

1. In a browser tab, navigate to <https://gps.wextelematics.com>.

Tip! Bookmark this address, as this is where you'll sign in each time you use Wex Telematics Fleet Tracking.

The Login page appears.

2. Enter your username as listed in the Welcome Email and click **Next**.

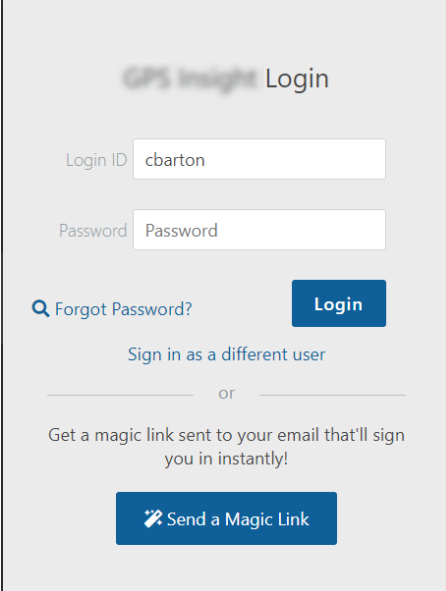

Note. Alternatively, you can click **Send a Magic Link** to get a magic link sent to your email

that'll sign you in instantly (see instructions for Magic Link login below).

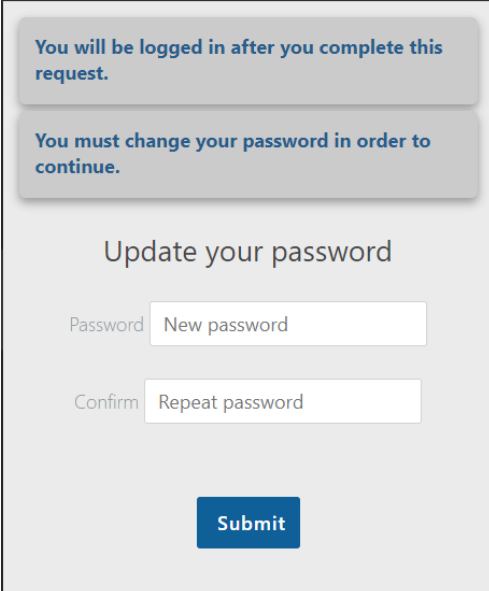

The password field appears.

The screenshot shows the 'GPS Insight Login' page. It features a 'Login ID' field with the text 'cbarton' and a 'Password' field with the placeholder text 'Password'. Below these fields are links for 'Forgot Password?' and a 'Login' button. There is also a link to 'Sign in as a different user'. At the bottom, there is a section for 'Magic Link' login, stating 'Get a magic link sent to your email that'll sign you in instantly!' with a 'Send a Magic Link' button.

3. Enter the temporary password supplied in the Welcome Email and click **Login**.

You are prompted to change your password.

The screenshot shows the 'Update your password' page. It has two informational messages at the top: 'You will be logged in after you complete this request.' and 'You must change your password in order to continue.' Below these are two input fields: 'New password' and 'Repeat password'. A 'Submit' button is at the bottom.

4. Enter a new password in the New password field and confirm your new password by repeating it in the Repeat password field, then click **Submit**.

You are automatically redirected to the Portal and greeted with the **Explore page**. You are now logged in to the Portal.

Using Magic Link

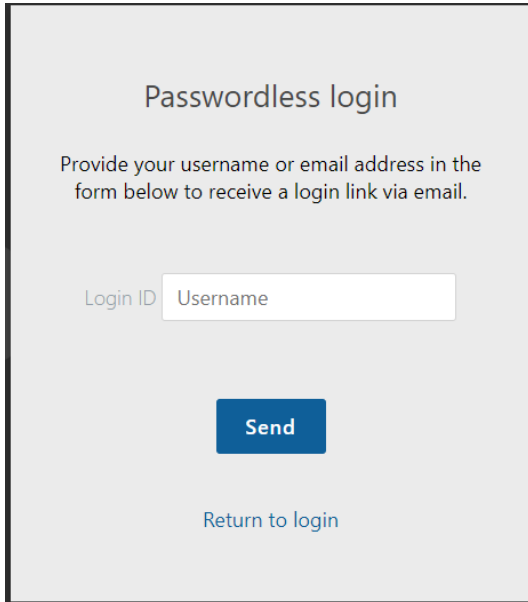

On the Login page, you have the option to use Magic Link to sign in to the Wex Telematics Fleet Tracking Portal automatically after clicking a link sent to your email.

► How to log in using Magic Link:

1. On the Login page, click **Send a Magic Link**.

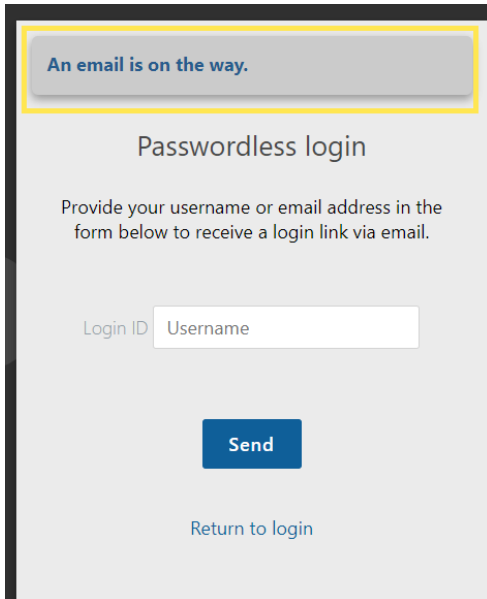

The Passwordless login form appears.

The screenshot shows a 'Passwordless login' form. At the top, the title 'Passwordless login' is centered. Below it, a message reads: 'Provide your username or email address in the form below to receive a login link via email.' There is a text input field labeled 'Login ID' with the placeholder text 'Username'. Below the input field is a blue button labeled 'Send'. At the bottom of the form is a link that says 'Return to login'.

2. In the Login ID text field, enter your username or email address to receive a login link via email.
3. Click **Send**.

An email with the subject line of “Log into Wex Telematics is sent to your email address containing your Magic Link.

This screenshot is similar to the previous one but includes a confirmation message at the top. A grey box with a yellow border contains the text 'An email is on the way.' in blue. Below this, the 'Passwordless login' form remains the same, with the 'Login ID' field, 'Send' button, and 'Return to login' link.

Note. This link will be valid for 5 minutes, and may only be used once.

4. Click **Go To Portal** link in the email.

Portal Magic Link

Corinne,

You have requested to log into Portal using this email address. If you do not recognize this request please ignore this email. This link will be valid for 5 minutes, and may only be used once.

[Go To Portal](#)

A browser tab opens and a pop-up message asks if you'd like to stay signed in.

5. Click **Yes** to reduce the number of times you are asked to log in.

Note. If the computer you are using is a shared device (e.g., a computer at a library), we recommend clicking **No** to keep your account as secure as possible.

You are automatically redirected to the Portal and greeted with the **Explore page**. You are now logged in to the Portal.
