

Portal Updates

Link: <https://help.wextelematics.com/release-notes-10-22-20/> Last Updated: October 20th, 2020

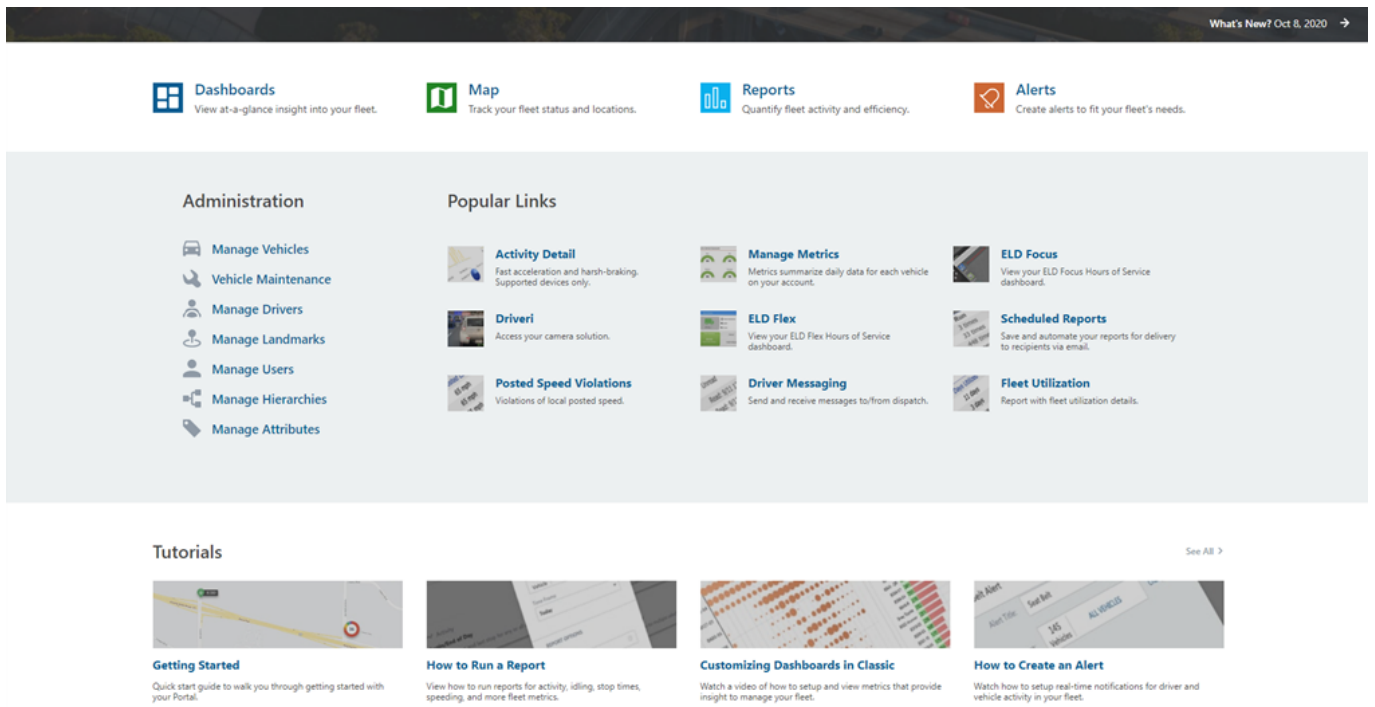

This Product Release Notes announcement for Wex Telematics **Standard, Pro and Enterprise** customers includes updates for Portal.

Portal

Homepage Design Update

We've enhanced the homepage with a new simple and efficient Reports design structure, allowing you to easily navigate product features.

Note. The Administration and Portal Links are customized to your specific account features. For more information on the Homepage, see: [About the Homepage](#).

Bug Fixes

Bug Fixes & Enhancements

- Bugs were fixed for the Portal and Map.
- UX enhancements were deployed.
